**SAFETY PROGRAM**

The safety of all students, employees, visitors, and others present on school property is of special concern to the Board.

The Board shall strive to comply with all safety requirements established by governmental authorities and shall insist that its staff adhere to recommended safe practices as these pertain to the school plant, special areas of instruction, student supervision, student transportation, school activities, and sports.

Each principal shall be responsible for the supervision of the safety program in his/her school. The superintendent shall have overall responsibility for the safety program of the district and shall alert the Board to action that is needed.
