FIRE DRILLS

A fire drill shall be held at least once a month in each school building in the district. Each building principal shall prepare a definite fire emergency plan, and furnish to all teachers and students information as to route and manner of exit. First drills shall be planned in such a way as to accomplish the evacuation of school buildings in the shortest possible time and in the most efficient and orderly fashion.

Principals shall keep a record of all fire drills held in their schools. They shall furnish such reports to the superintendent or his/her designee as may from time to time be required.
