TUTORING FOR PAY

To assure all students reasonable assistance without charge from their own teachers, and to avoid placing a teacher in a position where he/she may have a conflict of interest, teachers shall not be permitted to charge for tutoring any student they have in class or upon whose evaluation or assignments they will be called upon to pass.

Teachers may not charge for tutoring during their regular working hours or on school premises.

Nothing in this policy shall be interpreted to prevent the district itself from paying its own teachers to tutor students.
