EVALUATION OF INSTRUCTIONAL PROGRAMS

The Board believes that the continuous evaluation of the instructional program is a matter of utmost importance. The District's educational offerings, methods, and techniques must serve the needs of today's youth. To help accomplish this, the District shall develop an evaluation program designed to:

1. Assess educational needs and provide information for planning.
2. Indicate instructional strengths and weaknesses.
3. Check on the suitability of programs in terms of community needs.
4. Show the relationship between achievement and the district's stated goals.
5. Provide data for public information.

Needs assessments and evaluation shall involve the public, school administrators, teachers, and the Board, and shall be carried out in accordance with a plan approved by the Board.
