**EMPLOYMENT OF STUDENTS**

With the approval of the high school principal, a senior student may be allowed to be gainfully employed during and up to one half of the school day provided:

1. A written request for such employment is made by his or her parent or guardian.
2. The student has a bona fide job offer as evidenced by a completed Wyoming Department of Labor Statistics, Offer of Employment form and a completed Work Permit.
3. The student's work schedule covers a continuous block of time either in the morning or afternoon so that the student will not be required to come to and go from school more than once a day.
4. The work schedule will not interfere with the student meeting the graduation requirements of the school, and will not require the school to make any adjustment in its regular daily class schedule. The student shall not ask or expect the teacher to spend extra instruction time to accommodate the student's desire or need to have part-time employment.
