VISITORS TO THE SCHOOLS

It is the policy of the Board to encourage parents and other citizens of the district to visit classrooms at any time to observe the work of the schools. The Board believes that there is no better way for the public to learn what the schools are actually doing.

In order to assure that no unauthorized persons enter buildings with wrongful intent, all visitors to schools, EXCEPT parents who have been invited to a classroom or assembly program, shall report to the school office when entering, to receive authorization before visiting elsewhere in the building.

Unauthorized persons shall not be permitted in school buildings or on school grounds. School principals are authorized to take appropriate action to prevent such persons from entering buildings and from loitering on grounds. Violators will be prosecuted.
